ABOUT US

Born from a vision to redefine quality and sustainability in manufacturing, Featherlike Foam Pvt. Ltd. has emerged as a trusted leader in the industry. Since its inception in 2021, the company has quickly gained recognition for its innovative approach and dedication to excellence. Located in the scenic town of Palakkad, Kerala, Featherlike Foam operates within a sprawling 15 - acre campus-granted the status of a Private Industrial Estate in 2023. This recognition highlight the company's strategic importance and its potential to drive industrial growth in the region. With room to accommodate more than five production units, the site is poised to become a vibrant industrial hub in the near future. The company began its first major production venture in January 2024, focusing on the manufacturing of EPE Foam Rolls, Sheets, Floor Protection sheet, and Heat Reflective Sheets. Each product reflects the brand's commitment to innovation, performance, & sustainability.

Featherlike foam is the first firm in private industrial estate in kerala. This prestigious milestone was formally inaugurated by the **Honourable Minister for Law, Industries & Coir, Shri P. Rajeev**, marking a new era of industrial progress in the state.

**Engineered for versatility, our products
are integral to various industries**
