

HEAT REFLECTIVE SHEET

Engineered for superior thermal insulation, our Heat Reflective Sheets help maintain indoor temperatures by effectively reflecting radiant heat. Lightweight, durable, and easy to install, they are ideal for roofing, walls, and industrial sheds. These sheets enhance energy efficiency, reduce heat buildup, and are a smart choice for both residential and commercial spaces.

HEAT REFLECTIVE SHEET			
SL.NO	SIZE (MM)	WIDTH (MM)	LENGTH (METER)
1	6mm	1200	60
2	10mm	1200	40
3	12mm	1200	25
4	20mm	1200	20

Note:
we can customise the length of roll
